

The views expressed herein are exclusively those of Stringer Asset Management LLC (SAM), and are not meant as investment advice and are subject to change. Information contained herein is derived from sources we believe to be reliable; however, we do not represent that this information is complete or accurate and it should not be relied upon as such. All opinions expressed herein are subject to change without notice. This material does not constitute any representation as to the suitability or appropriateness of any security, financial product or instrument. SAM is not making any comment as to the suitability of any funds mentioned, or any investment product for use in any portfolio. There is no guarantee that investment in any program or strategy discussed herein will be profitable or will not incur loss. This information is prepared for general information only. Investors should seek financial advice regarding the appropriateness of investing in any security or investment strategy discussed or recommended in this report and should understand that statements regarding future prospects may not be realized. Investors should note that security values may fluctuate and that each security's price or value may rise or fall. Accordingly, investors may receive back less than originally invested. Past performance is not a guide to future performance.
